EUROPE Travel Desk - Frequently Asked Questions

Q: What are the desk working hours?
A: The EUROPE desk works Monday to Friday 08:00-20:00 CET. Weekend emergencies go to the 24x7 after-hours line.

Q: How do I handle an EU261 compensation request?
A: EU261 claims are filed by the traveler directly with the airline. Share the carrier claim link and note the request in the case. Delays over 3 hours may qualify for compensation.

Q: What is the escalation matrix?
A: Level 1: Senior Agent (within 2 hours). Level 2: Team Lead (within 4 hours). Level 3: Process Manager (same business day). VIP travelers escalate directly to Level 2.

Q: Can I book rail instead of air?
A: Yes. For journeys under 4 hours by rail (for example London-Paris), rail is the preferred option under the EUROPE travel policy.
